

# WHS™ 2024 Treatment of Hole(s) Not Played

FAQs and Example Application

*Beginning in 2024, net par will be replaced with the use of expected score for holes not played.*

The following FAQs have been developed to explain how 10-17 hole rounds will be treated for handicap purposes under the 2024 update to the World Handicap System:

A link to an article page on usga.org that includes FAQs and an Example Application of Hole(s) Not Played (10-17-Hole Scores) is available [HERE](#).

Please feel free to re-create this article/FAQ page on your AGA website.
